FAIRWAY
GROUP

- Fairway Group's drive and passion to do the right thing for the benefit of our clients is reflected by the Koi. Hardy and adaptable, Koi grow to suit their environment. The embodiment of good fortune,
- longevity and prosperity, a symbol of strength, courage, bravery, perseverance and challenging the
- status quo demonstrates our ability to be your partner of choice for trusts, funds and pensions.

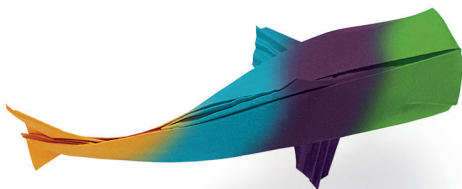

At Fairway Group, we put our clients first.
As an independent, owner-managed fiduciary
group offering trust, fund and pension
services, we are able to provide continuity to
every client through a director-led, dedicated
team and a proactive and nimble service.
We can be trusted to get it right every time.

Our client retention rate is testament to the strength of our offering, authenticity of the unrivalled service we aim for and the energy that we invest in our relationships.

We take great pride in providing our clients with innovative solutions backed by administrative and technical excellence across our offering whether that be to reach retirement goals, for succession planning, to maximise returns or to protect and enhance assets.

As a Jersey headquartered business, our clients can be assured of the reliability, political and economic stability and comprehensive regulatory and legal framework which has kept Jersey at the forefront of global finance for over 50 years.

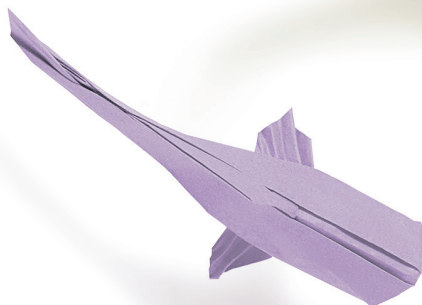

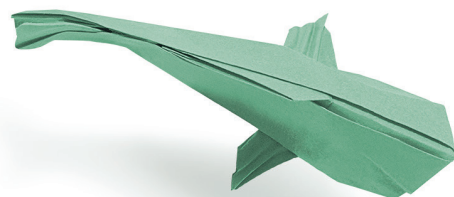

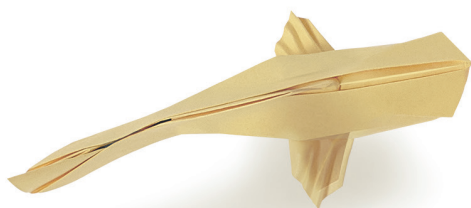

All of this enables us to be your partner of choice. We are consciously independent.

Key Services

Trust & Corporate

We are a boutique provider of trust, foundation, corporate administration, family office and Managed Trust Company (MTC) services with a personal touch. We specialise in providing solutions to high net worth individuals and corporate clients with offshore structuring requirements. We have a highly qualified team with a diversity of experience in terms of both asset class and jurisdictions.

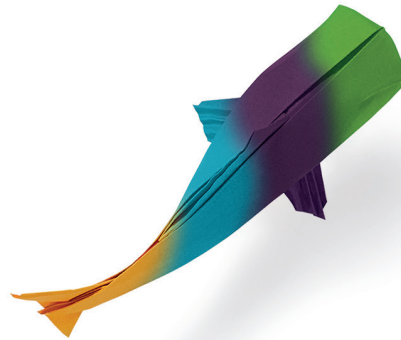

Fund Administration

We conduct a broad range of fund administration services, including the provision of directors, company secretarial, compliance, accounting and investor reporting. We also provide a trustee service and are market leaders in the provision of Manager of Managed Entity (MoME) services for Jersey regulated fund and managed entity operations. The team have extensive fund administration and accounting experience across a wide range of asset classes and we offer a wide variety of funds including private funds, expert and open ended structures.

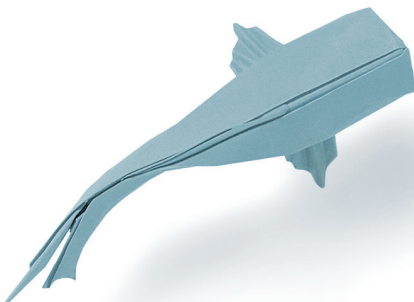

Pension & Employee Benefits

Fairway Group is the leading provider of pension trustee and ancillary services. Working closely with local regulators and government since 2003, our technical excellence has led the jurisdiction's development of legislation, permitting us to be at the forefront of product development. Our leadership and innovation in this sector is unparalleled.

Accountancy

In conjunction with our sister accountancy firm, Bracken Rothwell Limited, we have a team of qualified Chartered Accountants available for all relevant trust and pension tax structuring requirements.

Marine & Aviation

Working closely with tax and financial advisers, along with aviation and yachting professionals, we provide professional, administrative expertise in the establishment of appropriate structures to hold and operate yachts or aircraft, whether for private or commercial operation.

Why Fairway Group ?

Our independence and structure allows us to take a long-term, client-centric approach to the way in which we do business. Without the pressures of private equity backing and the costs of being publicly traded, our clients are at the heart of our decision making.

We take pride in our quality of service and getting things right first time. Our team is tailored according to each client's needs thereby ensuring seamless delivery of a flawless service.

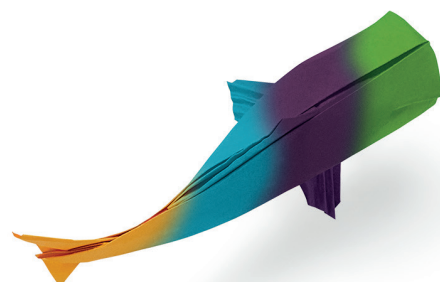

As an owner-manager and director-led business, we foster a proactive, entrepreneurial, high-performance culture. We encourage our staff to challenge the status quo thereby striving to constantly drive improvements to how we do business and the way in which we manage our relationships.

With a breadth and depth of industry-leading experience, Fairway Group is equipped with the skills-based resources to cater for a broad range of structures from niche to mainstream. Where clients require additional international expertise, our PrimeGlobal membership gives us access to over 300 independent member firms across approximately 80 countries, ensuring assistance is always at hand.

Why Jersey ?

Jersey is one of the world's leading International Finance Centres. Reliability, political and economic stability, and a globally recognised regulatory framework have kept Jersey at the forefront of global finance for over 50 years.

Jersey's regulatory system is globally respected and acknowledged by independent assessments from some of the world's leading bodies including the Organisation for Economic Co-operation and Development (OECD), Worldbank and the International Monetary Fund (IMF).

Jersey is a global leader in transparency and combating financial crime. As an early adopter of the Common Reporting Standard and operating a central register of beneficial ownership that meets international standards, to share information with global tax authorities, Jersey is ahead of the curve with others looking to the Jersey model.

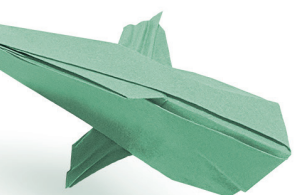

Jersey offers a tax neutral environment which enables investors and businesses to work efficiently and transparently, while making sure that tax liabilities are paid wherever they are due.

Jersey's government is pro-business and pro-finance working with businesses and governments to encourage clear, forward-thinking investment that supports wealth creation worldwide. The finance industry is the largest employer of local talent and a key contributor to GDP.

Jersey benefits from political and economic stability through its unique constitutional position as a Crown Dependency. This, combined with our regulatory responsiveness and proactivity, allows Jersey to position itself to benefit from global geopolitical developments.

Jersey has cutting-edge technology infrastructure.

With world-class technology solutions, meeting international ISO/IEC 27001: 2013 standards, Jersey benefits from comprehensive disaster recovery options, large data centres and gigabit connectivity. Jersey's technology provides peace of mind to clients and confidence in the efficiencies it produces.

Meet our Leaders
